Support for students & parents

Parents can monitor the progress of their students through the Parent Portal & App

Online Resources

[How to Register](#) – This link shows how public school and home school parents can enroll their children.

[Student Help Page](#) – Help is never more than two clicks away!

[Peer Tutoring Center](#) – There's help here for every student! Students can get free, instant online tutoring and much more! Every course has a direct link to the center.

[Parents' Guide to Supporting Students](#) – We have a lot of great tips on how you can help your child succeed in their online courses.

[Parent Portal and App](#) – Track your child's progress and stay up-to-date on what's going on in the course.

[Student Resource Center](#) – We have a page for students, too! See all the resources that we offer our students.

[Special Education and 504 Services](#) – If your student has an IEP or 504 Plan, please visit our Special Education page.

[Private School and Home School Parents](#) – If your students are not enrolled in a North Carolina public school, visit our Non-Public School Page.
