

Our Classrooms Community... Online!

What a wonderful community of learners we have in our classrooms this year! We are so excited to help our students learn and grow.

We have registered our classrooms on [DonorsChoose.org](https://www.donorschoose.org), an amazing website where individuals can contribute to public schools. Throughout the year, I will post requests for resources that will help make your child's time at school even more engaging, dynamic, and enriching.

Help us give our students the accessories they need to be successful with our new Chromebooks!

Please spread the word about our classroom page (and contribute if you can)!

(The items requested in this grant will be used across the school. Thank you Mrs. Moss for submitting a [DonorsChoose.org](https://www.donorschoose.org) grant for our school.)
