

The Parent's Guide

**A guide to services
for Chatham County
parents and their young children**

Chatham County Partnership for Children...

- is a private non profit charitable organization
- was formed in 1994
- is led by a board of directors of about 20 community members, business leaders, parents, teachers, and others dedicated to improving the lives of the county's youngest children.
- oversees Smart Start, More at Four, and Ready Schools
- works to bring in other resources.
- funds a variety of programs specially selected to meet the Partnership's quality child care, health, and family support goals.

Our Vision

Working together, Chatham County's families and organizations will create a healthy and wholesome environment in which all young children can reach their greatest potential.

SMART START . . .

Is a comprehensive public-private initiative launched by Governor Hunt in 1993 to address the concern that many children begin school unprepared for school success.

Helps young children and families by bringing together and strengthening existing resources.

With SMART START:

Children are better prepared for school.

Child care quality has improved.

Child care teachers are better educated.

Child care teacher turnover has been reduced.

Children are healthier.

Parents are better informed and have more resources.

Programs listed in this guide that are funded by SMART START are identified with the SMART START logo.

MORE AT FOUR...

Is a high-quality pre-k program that serves children who are at risk and prepares them for success in school. Pre-kindergarten is a research-proven strategy for school readiness.

Children served by More at Four attend a full school day, full school year program that meets high-quality state standards. The Chatham County Partnership for Children supports More at Four classrooms throughout Chatham County in public and private licensed child care centers and Head Start.

Programs listed in this guide that are funded by MORE AT FOUR are identified with the MORE AT FOUR logo.
